Fixed Ownership: (Prime and Holiday)

This Ownership is during the summer months and runs from week 24 through 35. Fixed owners own the same unit and week each year.

Float Ownership: (Prime and Holiday)

Prime Float: This ownership runs from weeks 14 through 23 in the Spring and 36 through 44 in the Fall. Prime Float Owners must submit a Reservation Request in writing via mail, internet, or fax, to reserve an Owner Use Week (*Based on availability*) within the Prime Float season.

This must be done for each year you own, prior to depositing for exchange with II/RCI.

How to Make a Vacation Exchange

As a vacation owner you can exchange your timeshare vacation for exciting destinations around the world, made available through either Interval International or Resort Condominiums International. You must be a member of either or both of these exchange companies in order to trade for a stay at a different resort. To exchange your vacation time for comparable accommodations deposited by another exchange company member, just follow these three (3) easy steps:

Step 1 - Deposit

If your resort operates on floating, flex or points, you must always reserve in writing with your home resort prior to depositing your time into the pool. Deposit your confirmed week into the space bank pool. Your vacation time is added to the "pool" of weeks deposited by members from around the world. Remember, your maintenance fees must be paid, pre-paid (or current) in order to make your space bank deposit. Check with your home resort for specific details on payment. **If you plan to deposit your week for an exchange vacation, you should always deposit your week as far in advance as possible.**

Note: II and RCI cannot accept deposits less than fourteen (14) days before the start date of your assigned week. Once deposited, you have up to two (2) years after the start date of your week to travel/redeem that deposit. Keep in mind, you don't have to request an exchange at the same time you deposit, however, it is recommended.

Step 2 - Request

Request your exchange week at a resort or resort area comparable to the color code and unit size you have deposited with your exchange company. You may request an exchange as much as one (1) year prior to the start date of your deposit, or up to two (2) years after the start date of the deposit. Be sure to have the following information ready when you call the appropriate exchange company:

- Your exchange company ID number
- Four (4) or more desired resort choices and the general area you wish to travel (the more resorts selected and submitted, the better!)
- Your desired travel dates (if you can be flexible on your travel dates, please let the Vacation Counselor know!).
- The number of people in your travel party (be sure to include children).
- Your credit card number and expiration date.

Step 3 – Confirm

Your exchange company will confirm your vacation exchange immediately if your requested destination is available. If a resort's unit is not immediately available to fulfill your request, ask your exchange counselor to begin a **search**, (you will have to pay the exchange fee at that time). The exchange company will enter an on-going computerized search for your desired resorts and / or travel times and continue to check all incoming deposits for the vacation time you desire. When a match is made, they will notify you that your accommodations have been confirmed. If a match is not made, they will work with you to find alternative destinations or refund your exchange fee.

*** Please be sure that your membership to your exchange company is paid in full for the year of your deposit as well as the year of the exchange that you are requesting ***

- Day Use:** **Day Use** is an added Owner privilege. Day use privileges are for the owner and co-owners of record, their spouses and children. If the Resort is under 95% occupied, an Owner may use the Resort amenities. On Fridays and Sundays day use is allowed between 10 & 4PM. The following exception to the "Over 95%" rule applies to the Racquet Sports Center only: Walk-in use is available on a first come first serve basis for a \$10.00 fee per player. The owner must be current with all Association fees. The owner is requested to call the resort prior to arrival to verify the occupancy for that day. Only the owner of record (deeded) may make use time reservations. Only one court reservation allowed per account per day and can only be made no more than 24 hours in advance of the desired reservation time. Tennis reservations can be made by calling 508-778-6815. Alternate year owners may utilize day use only in their ownership year. Owner's children utilizing day use are governed by posted age limits and rules for the various amenities. The owner and guests utilizing day use for the pool and health club, must sign-in at the Front Desk (main lobby) and receive his or her "day use key card". Owners and guests utilizing the tennis, racquetball, basketball and walleyball courts must sign-in with the Activities Coordinator at the Racquet Sports desk. The owner utilizing day use is allowed two (2) guests per account. When day use is for tennis, racquetball, basketball and walleyball, the owner is allowed three (3) guests per account. Owners are prohibited from using any resort recreational facility for commercial purposes, including but not limited to, solicitations, advertising, lessons, vending and/or concessions, without the approval of resort management. Tennis usage is limited to no more than 1 ½ hours per individual per day. There is a nominal charge of \$10.00 per guest per day if an owner brings a guest(s) other than their immediate family members to use the Racquet Sports Club facilities and a \$5.00 fee for the health club or indoor pool facilities. Resort Management reserves the right to restrict usage at any time. Call The Cove at Yarmouth directly for availability (508)771-3666.

Owner Rental: An owner should always attempt to use or exchange their owner use week, however, if you choose to rent, you may contact the Rental Coordinator for Vacation Resorts International 800-874-8770. The Rental Program is suggested as a "last resort".
